

IDPA MATCH – APRIL 22, 2017

The day turned out beautiful and not too terribly hot. We had 26 shooters who shot their way through 5 great stages. Today we evaluated a new division in IDPA – Pistol Caliber Carbine (PCC). It went well and it will be an option on the regular IDPA matches (not 2-gun or Partner's Matches). Next month's match will be a regular IDPA Match on May 27th.
