

IDPA MATCH – July 23, 2016

41 shooters turned out on this warm, but not sweltering July day for the monthly IDPA Match. We had 4 great stages that made you think tactics. Thanks to everyone who helped Todd set up and tear down and run the match. There will not be a match in August because all of the RO's and Match Director will be out of town. The next match will be September 24th at 10 a.m. Sign up starts at 9.
