

IDPA 2-GUN MATCH – May 28, 2016

21 shooters turned out on this warm, beautiful May day for the IDPA 2-Gun Match. We had 6 great stages and we were all tired when it was done but all agreed that it was a GREAT match. We had 10 or 12 people who showed up and didn't know it was a 2-gun match. Hopefully they will be back next month for our regular pistol match. Thanks to everyone who helped Todd set up and tear down and run the match. The next match will be June 25th at 10 a.m.
