

IDPA MATCH – September 24, 2016

26 shooters turned out on this very hot for September day for the monthly IDPA Match. We had 6 great stages that required not only speed but accuracy. Thanks to everyone who helped Todd set up and tear down and run the match. The next match will be our Halloween Partner's Match on October 22nd and the ghouls and goblins, vampires and bats and zombies will be running amok. No conceal garment needed, just bring a partner or get paired up at the match. Sign up starts at 9.
