

# COWBOY RIFLE SPECIALTY MATCH

## MARCH 18, 2017

We had 15 shooters show up today to compete in the cowboy rifle (either lever action or black powder) at steel targets from 25 yards to 109 yards on the Primitive Range. Ties were broken by the number of hits on the long distance (109 yards) steel plate and/or the steel buffalo (90 yards). We made \$155.00 for the club.
