\*\* Arms extended and at an approximat 45 degree angle to the ground

\*\*\* Start signal will be an audible signal from a hand held shot clock.

## **Safety**

1. This will be a “cold range” event. No fire arm will be in a loaded condition unless an RSO instructs the shooter to do so.
2. 180 degree rule applies.
3. Shooter must not anticipate RSO instructions.  
Un-holstering/un-bagging of fire arm, loading, magazine changes, clearing and re-holstering/re-bagging must be done at to command of the RSO.
4. Fire arms must be carried in a strong side holster or a range bag with the slide locked to the rear and empty mag well.
5. All other TSGC safety rules apply.
